Wooden Stand (lge) for Tassel Ladies	\$4.00

Notes:

¹ The glue used for découpage is a high quality bonding glue which contains a water-proofing agent. For an even greater seal - and a gloss finish – apply one or more THIN coats of the Gloss Sealer² after the découpage is completely dry. For a very high gloss use the Poly-U varnish.⁴ For a matt finish instead of gloss apply the Matt Sealer³ in a similar way.
